

**DOCKET NO.:** LUTR-0204  
**Application No.:** 10/681,062  
**Office Action Dated:** November 16, 2004

**PATENT**

**REMARKS**

Claims 1-49 are pending. In the Restriction Requirement, claims 1-49 were restricted into the following two groups:

- I. Claims 1-37, drawn to a wireless light control system, classified in class 455, subclass 556.
- II. Claims 38-49, drawn to a communication bridge, classified in class 340, subclass 815.45.

Applicants hereby elect Group I consisting of Claims 1-37 for prosecution at this time. This election is made without traverse, and no representations are made by this election concerning the merits of the Restriction Requirement with respect to the possible existence of multiple distinct inventions among the originally present claims. Applicants reserve the right to pursue the subject matter of all non-elected claims in one or more related applications. The present application is believed to be in condition for examination on the merits. Favorable examination leading to early allowance of this application is earnestly solicited.

Respectfully submitted,

Date: December 14, 2004
